Dear Dr. Rosales:

We are pleased that you have chosen Manila as the venue for the *5th Asian and Oceanian Parkinson and Movement Disorders Congress (AOPMC)* on March 11-13, 2016.

Manila has been the preferred venue of several international conferences and seminars for various reasons, including the considerations of security, peace and order. In fact the *2015 Asia Pacific Economic Cooperation (APEC) Economic Leaders Meeting* is going to be held in Manila next week on November 18-19, 2015 to be participated by 22 heads of state and around 7,500 delegates from around the world. Rest assured that the Philippine government is more than capable and ready to address any peace and order concern relative to your Congress

We look forward in partnering with you towards the success of the activity.

Truly yours:

Mel Senen Sarmiento
Secretary
